Rules for Championships

Open method with modification

Each judge nominates his choice for Gold, Silver and Bronze medals together at the same time. The Championships will be judged as follows:

- a. The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
- b. The horses will be judged individually, standing and trotting.
- c. [The Champion Gold medal winner is selected from amongst the horses placed first in their class.](#)

- d. The Silver and Bronze medal winners will be selected at the same time from all other horses that have qualified for the Championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points
- A horse nominated by a judge for Silver Medal will receive 2 points
- A horse nominated by a judge for Bronze Medal will receive 1 point

The Gold Medal will be awarded to the horse with the highest number of championship points.

The Silver Medal will be awarded to the horse with the 2nd highest number of championship points.

The Bronze Medal will be awarded to the horse with the 3rd highest number of championship points

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
3. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
4. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.

The rules set down in the Blue Book 2018 of the EAHSC apply in every aspect. In case of doubt or differing opinions, the original English version applies.
